State Scholarship Portal

RTI Section 4 (1) (b) of State Scholarship Portal

A. Details of State Scholarship Portal:

An Integrated State Scholarship Portal (SSP) is developed by Centre for e-Governance, Government of Karnataka for sanctioning of Pre-Matric & Post-Matric Scholarship under various Schemes of Government of Karnataka. Scholarship amount is disbursed to Aadhar seeded bank account of the student through Direct Benefit Transfer (DBT). Scholarship is disbursed to Prematric and postmatric students under 65 schemes of 19 departments in Karnataka.

B. List of Stakeholders

a. Department of Personnel & Administrative Reforms (e-Governance)

The Department of Personnel and Administrative Reforms (e-Governance) ever since its inception in the year 2003 has been facilitating the acceleration of IT-enabled Government services to increase transparency and efficiency in administration. The department has also ensured better delivery of various Government to Citizen (G2C), Government to Business (G2B) and Government to Employees (G2E) services effectively through successful implementation of various e-Services.

DPAR (e-Governance) through its various endeavours such as the Centre for e-Governance (CeG), Centre for Smart Governance (CSG), Directorate of Electronic Delivery of Citizen Services (EDCS) and Karnataka State Remote Sensing Applications Centre (KSRSAC) has been the front runner in delivering various e-services to its citizens. The department has also successfully implemented Government of India projects such as Aadhaar, National Academic Depository, DigiLocker, Right to Information, and Open Government Data through Karnataka Open Data Initiative (KODI) among others.

b. Centre for e-Governance

The Centre for e-Governance is the nodal agency for implementation of various e-Governance related projects of the Government. State Scholarship Portal is a flagship project which aims at providing a digital decision support platform for sponsoring departments for implementing of their scholarship/ any financial aid to students in a paperless manner. Project also has subsidiary projects like State Hostel Portal, Nilaya (Hostel ERP solutions) & Vidyavaridhi.

c. Students:

Students studying in Class 1 onwards in various Educational Boards, Public/ Private/ Deemed/ Standalone Universities and Institutes of National Importance apply for scholarship/ educational aid in the portal and their applications are processed using their data available in Government databases. Based on the eligibility and inclusion/ exclusion criteria of various

schemes, the applications are shown for verification, sanction and payment in the logins of the department officials who have delegation of powers to perform the activity.

d. National Informatics Centre (NIC):

The State Scholarship Portal & State Hostel Portal has been developed by NIC. NIC is responsible for the development and maintenance and continuous upgrades and modifications related to the State Scholarship Portal.

e. Centre for Smart Governance:

NILAYA portal is developed and maintained by CSG. CSG is responsible for the development and maintenance and continuous upgrades and modifications related to the NILAYA portal.

State Scholarship Portal is integrated with CSG for validating present year and previous year academic details of students present in Unified University College Management System (UUCMS).

f. Electronic Delivery of Citizen Services (EDCS):

Directorate of Electronic Delivery of Citizen Services (EDCS) was created under the Department of Personnel and Administrative Reforms (DPAR) for implementing e-Governance Projects which are associated with delivery of services to citizens through electronic modes Viz., ICT enabled centers, portal, etc. Currently the EDCS Directorate operates Seva Sindhu, Karnataka One, Bangalore One, Mobile One, Jana Sevaka and Grama One Projects and is working towards roll out of e-District Project in the state.

State Scholarship Portal is integrated with Directorate of EDCS through an API for capturing authenticated biometric details of centrally sponsored schemes under various departments.

g. Departments:

Various scholarship schemes sponsored by Departments are onboarded onto the portal for making scholarship payment to eligible beneficiaries. The departments onboarded in SSP Prematric and Postmatric are as follows:

<table>
<tr><th>Sl No</th><th>Department</th><th>Schemes in SSP Prematric</th><th>Schemes in SSP Postmatric</th></tr>
<tr><td>1</td><td>Social Welfare</td><td>

Pre-matric scholarship for minority students studying in classes 1 to 8 with family income less than one lakh.</td>
<td>State Sponsored Schemes:
1. Fee reimbursement for minority students with annual family income below 2 lakhs and studying in post-matric courses (all postmatric except professional courses)
2. Fee reimbursement for minority students with annual family income below 2.5 lakhs and studying in post matric courses (professional courses)
3. Vidyasiri – Payment of educational maintenance allowance to students who do not get seats despite applying for admission to Government Hostels</td>
</tr>
</table>

5	Disability Welfare	**State Sponsored Schemes:** Pre-Matric Scholarship for differently-abled students studying in classes 1 to 10 (without any caste & income limit)	**State Sponsored Schemes:** Fee Reimbursement for differently abled students studying in post matric courses (without any caste & income limit)
6	Labour	**State Sponsored Schemes:** Educational assistance for children of registered construction workers studying in classes 1 to 10 (without any caste & income limit) – Payment to parents' Aadhaar seeded bank account	**State Sponsored Schemes:** Educational assistance for children of registered construction workers studying in postmatric courses (without any caste & income limit) – Payment to parents' Aadhaar seeded bank account
7	Agriculture	**State Sponsored Schemes:** a) **Chief Minister Raitha Vidyanidhi** for girls studying in classes 8 to 10 who belong to farmer families with annual income less than 2.5 lakhs and **who are not benefited by other schemes**. (No caste criteria) b) **Chief Minister Agriculture Labour Vidyanidhi** for girls studying in classes 8 to 10 whose parent/s is/are landless agricultural laborers registered under MGNREGA with annual income less than 2.5 lakhs and **not benefited by other schemes**. (No caste criteria)	**State Sponsored Schemes:** 1. **Chief Minister Raitha Vidyanidhi** for post matric students who belong to farmer families with annual income less than 2.5 lakhs and who are **not benefited by other schemes**. (No caste criteria) 2. **Chief Minister Agriculture Labour Vidyanidhi** for post matric students whose parent/s is/are landless agricultural laborers registered under MGNREGA with annual income less than 2.5 lakhs and **not benefited by other schemes**. (No caste criteria)
8	Fisheries	**State Sponsored Schemes:** **Chief Minister Meenugaarara Vidyanidhi** for girls studying in classes 8 to 10 and whose parents' are engaged in fishing occupation. (without any income/caste limit)	**State Sponsored Schemes:** **Chief Minister Meenugarara vidyanidhi** for post matric students who are children of those involved in fishing occupation (without any income/caste limit)
9	Department of Technical Education	**State Sponsored Schemes:** Fee reimbursement to students studying in Junior Technical Schools	**State Sponsored Schemes:** 1. For Diploma Polytechnic & Technical Courses:

			a) Fee reimbursement for Scheduled Tribe students with family income of more than 2.5 lakhs – less than 10 lakhs. b) Fee reimbursement for kin of defense personnel c) Fee reimbursement for HIV/ Leprosy affected students/ Children of HIV/ Leprosy affected parents. 2. **Pratibha Puraskar** to students belonging to BPL families who have secured highest marks in 2nd year PUC from each district and have got admission to technical degree courses.
10	Education Department	**State Sponsored Schemes:** For students studying in Sainik Schools	**State Sponsored Schemes:** For students studying in Sainik Schools (Class 11 and 12)
11	Medical Education	NA	**State Sponsored Schemes:** Fee Reimbursement to ST Students with annual family income >2.5 lakhs and <=10 lakhs who are pursuing medical courses.
12	AYUSH	NA	**State Sponsored Schemes:** a. Fee Reimbursement to ST Students with annual family income >2.5 lakhs and <=10 lakhs who are pursuing AYUSH courses. b. Stipend to final year UG and all PG students studying in Ayush courses.
13	KSBDB	NA	**State Sponsored Schemes:** a) Sandeepani Shishyavetana (scholarship) for Brahmin EWS students (<8 lakh income) b) Fee Reimbursement for Brahmin EWS students (<8 lakh income)
14	Collegiate Education	NA	**State Sponsored Schemes:** a) **Fee Reimbursement** to ST Students with annual family income >2.5 lakhs and <=10 lakhs who are pursuing MBA/MCA courses. b) **Sanchi Honnamma Scholarship** Scheme for Girl Students who have scored higher marks in

			2nd PUC and are studying B.A, B.Com courses in Govt/Aided Degree colleges. c) **Tuition Fee Reimbursement** for girl students pursuing general degree courses in government & aided colleges (who are not eligible under any other scheme). d) **Fee reimbursement** for HIV/ Leprosy affected students/ Children of HIV/ Leprosy affected parents who are studying in general degree course. e) **Sir C.V Raman Scholarship Scheme** for Students who have scored higher marks in 2nd PUC and are studying (specified) science course in Govt/Aided Degree colleges.
15	Textiles & Handlooms	NA	**State Sponsored Schemes:** **Chief Minister Nekar Vidyanidhi** for post matric students who are wards of handloom/powerloom weavers (without any income/caste limit)
16	Transport	NA	**State Sponsored Schemes:** **Chief Minister Sarige Vidyanidhi** for post matric students who are wards of auto/taxi drivers (without any income/caste limit)
17	Karnataka Arya Vysya Development Corporation	NA	**State Sponsored Schemes:** Fee reimbursement to students belonging to Arya Vysya community and studying in postmatric courses
18	Department of School Education & Literacy		**State Sponsored Schemes:** Cash Reward to toppers in SSLC
19	Department of School Education	**Centrally sponsored schemes under Samagra Shikshana Karnataka:** i. Inclusive Education (CwSN) Stipend for Girls ii. Inclusive Education (CwSN) Escort allowance iii. Inclusive Education (CwSN) Transport allowance	

		iv. Inclusive Education (CwSN) Home based Education v. Inclusive Education (CwSN) Reader Allowance (For only VI and Low vision vi. Transport / Escort Facility Children in remote habitation vii. Rashtriya Aavishkar Abhiyaan (Elementary) Quiz Competition viii. Kasturba Gandhi Balika Vidyalaya - Type I (Residential Schools with Hostels) Stipend for Girls ix. Rashtriya Aavishkar Abhiyaan (Secondary) Quiz Competition x. Project Kala Utsav (Secondary)	

h. Integrated Departments/ Databases:

State Scholarship Portal is a robust and data driven system which is integrated with various department databases for real time verification and validation of the data submitted by the student as below:

- UIDAI: To validate Aadhaar & name as in Aadhaar of the student and of the parent/s along with gender.
- Student Achievement Tracking System (SATS): To validate current year admission status and previous year result data of Prematric students (Students studying between classes 1 to 10).
- CBSE/ ICSE/ Karnataka state boards: To validate Class 10 and 12 results.
- KUTUMBA – Karnataka State's Family Database: To fetch Caste/ Income, UDID (disability) details of the students, parents' occupation to identify kin of farmers/ weavers/ taxi drivers/ fishermen/ agriculture labour/ construction workers.
- National Payment Corporation of India (NPCI): To check Aadhar seeding status of the student.
- Unified University College Management System (UUCMS) maintained by Department of Higher Education: To validate present year academic details of students studying in general degree courses public universities in Karnataka.
- UNIDATA (University Database developed by State Scholarship Portal): To validate present year academic details of students studying in technical, medical, law, diploma, Class 11 & 12, agriculture, horticulture, veterinary courses etc in Public/ Private/ Deemed & Standalone institutes in Karnataka.
- National Academic Depository (NAD), Karnataka: To fetch validated previous year result of the students.

- State Hostel Portal/ SSP Hostel Management Information System: To identify hostellers staying in department run hostels and college/ university run hostels.
- College Information System (Developed by Karnataka State Scholarship Portal): To add and map database of all the approved universities, institutions, courses, disciplines, course duration & seat types.
- APISETU: To validate AISHE code of higher education institutes while adding institutes in state portal.
- Direct Benefit Transfer (DBT): To make payment to Aadhar seeded bank account of the student.
- National Scholarship Portal (NSP): To validate One Time Registration (OTR) number entered by ST and OBC students.

i. State Scholarship Portal PMU:

State Scholarship Portal PMU is setup for monitoring day to day activities and to co-ordinate with all departments for gathering requirements, testing, documentation, training and effective functioning of the project. State Scholarship Portal is headed by the Program Director and has outsourced Consultants. The following are the key functions of the PMU:

a. Onboarding of departments and schemes on to the project
b. Gathering requirements from departments for onboarding of new schemes and development of new modules.
c. Preparation of functional requirement document to aid development of application submission and processing modules.
d. Testing of application submission and various new modules as per requirements.
e. Correspondence with universities, departments and other government departments for integration and sharing of data.
f. Resolve any issues faced by the students and departments

j. Details of resources in State Scholarship Portal PMU:

The details of resources in the PMU are as follows:

Sl No	Designation	Job Description & Key responsibilities
1	Project Manager (Postmatric, Prematric, UNIDATA, State Hostel Portal)	• Develop and manage project plans, including estimating timelines, tracking progress, and ensuring successful project implementation. • Liaise with stakeholders to gather requirements, manage expectations, and ensure project goals are met. • Prepare detailed requirements documents for new schemes and integrations with government databases.

		• Delegate tasks and ensure timely rollout of software. • Write functional specifications for the development of new modules and APIs, including defining input/output parameters and validation rules. • Understand educational databases, Aadhar authentication, NPCI mapping and Aadhar seeding and DBT functioning. • Define and execute testing scenarios and test cases to ensure the portal and new modules meet all requirements. • Conduct root cause analysis to identify issues and propose effective resolutions. • Perform data analysis on large datasets to generate reports that inform and support decision-making. • Provide training and guidance to team members and officers (both IT and non-IT backgrounds) on new systems and processes. • Utilize strong analytical, problem-solving, and project coordination skills to manage projects from conception to completion. • Communicate fluently in Kannada and English, both verbally and in writing to effectively communicate with diverse stakeholders.
2	DBA/ Data Admin	• Skilled in writing SQL scripts, stored procedures, and training teams on query/report generation. • Experience to monitor system health and performance of servers • Experience in hosting web applications in UAT for testing and security audits. • Strong API testing skills for data integration and issue resolution. • Effective liaison with Data centre for server upgrades and DB issue handling. • Possess excellent technical ability to correspond with KSDC on server performance, DB issues and server upgrades. • Communicate fluently in Kannada and English, both verbally and in writing to effectively communicate with diverse stakeholders. • Strong analytical, problem-solving, and project coordination abilities.

3	Team Lead (Operations)	• Lead and train SSP PMU on project requirements and new module implementations. • Liaise with stakeholders and prepare documentation for module development. • Prepare detailed requirements documents for new schemes and integrations with government databases. • Delegate tasks and ensure timely rollout of software. • Oversee daily operations and guide PMU team as per project needs. • Understand educational databases, Aadhar authentication, NPCI mapping and Aadhar seeding and DBT functioning. • Provide training and guidance to team members and officers (both IT and non-IT backgrounds) on new systems and processes • Communicate fluently in Kannada and English, both verbally and in writing to effectively communicate with diverse stakeholders. • Excellent analytical, problem-solving, and coordination abilities
4	Team Lead (Software)	• Experience in C#.NET, ASP.NET, MS SQL, Web API, jQuery, and Transact-SQL. • Skilled in backend development, database design, and SSRS report deployment. • Experience in database development such as creation of databases, tables, stored procedures, views, indexes and functions. • Experienced in API development for integration with government databases. • Proficient in software testing, debugging, and developing consoles/schedulers with DBAs. • Able to delegate tasks to developers and ensure alignment with project requirements. • Communicate fluently in Kannada and English, both verbally and in writing to effectively communicate with diverse stakeholders. • Excellent analytical, problem-solving, and coordination abilities
5	Senior Programmer (Software)	• Experience in C#.NET, ASP.NET, Web API, and front-end development using jQuery and Bootstrap.

		• Skilled in writing client-side and server-side code, and developing SQL Server databases and procedures. • Proficient in hosting applications on live servers post-testing and PMU approval. • Capable of troubleshooting issues in test and production environments. • Experienced in API development for integration with government databases. • Communicate fluently in Kannada and English, both verbally and in writing to effectively communicate with diverse stakeholders • Excellent analytical, problem-solving, and project coordination abilities.
6	Programmer/ Software Engineer (Software)	• Proficient in ASP.NET and MS SQL for developing robust web-based applications. • Ability to develop front-end and back-end application. • Ability to create tables and write queries for integrating with software application. • Skilled in debugging, troubleshooting, and executing stored procedures and console applications • Strong analytical and problem-solving abilities with effective project coordination skills • Communicate fluently in Kannada and English, both verbally and in writing to effectively communicate with diverse stakeholders.
7	Software Testing Consultant	• Coordinating with the development team, business analysts and the product owner to get an in-depth understanding of the application and learn the testing requirements • Going through the application requirements and design documents, and coordinating with test analysts to prepare strategies, including functional, system, integration, user acceptance and performance testing • Selecting test cases, scenarios and scripts for comprehensive testing • Preparing the test data and ensuring its availability, integrity and relevance • Setting up and configuring test environments, including software installations, hardware configurations and network setups

		• Using test automation frameworks to save time, improve coverage and reduce manual errors • Analysing the results and evaluating the quality of software using different metrics, such as test efficiency, automation coverage and pass rate • Collaborating with the testing and development team to ensure the effectiveness of tests
8	Process Consultant (Operations)	• Liaise effectively with universities and educational boards to resolve scholarship-related queries • Coordinate with sponsoring departments to facilitate sanctioning and payment of eligible applications • Identify technical issues and recommend resolutions to Team Lead (Operations) • Prepare detailed requirement documents in collaboration with project stakeholders • Conduct training sessions for universities and boards on new modules hosted in SSP and CIS portals • Communicate fluently in Kannada and English, both verbally and in writing to effectively communicate with diverse stakeholders • Demonstrate strong analytical thinking, problem-solving abilities, and project coordination skills
9	Technical/ IT Consultant (Operations)	• Understand requirement of departments for development of new modules and processes. • Assist operations team and helpdesk team by testing integrated APIs in Postman. • Ability to address college queries related to CIS login reports. • Ability to resolve issues based on reports and status hosted in logins. • Ability to analyse and identify issues in scholarship disbursal. • Communicate fluently in Kannada and English, both verbally and in writing to effectively communicate with diverse stakeholders
10	Technical/ IT Consultant (Database)	• Assist DBA/ Data Admin to manage and port data across databases and designated tables for report generation • Coordinate with Data Centre for firewall request handling and system access

		• Create and maintain user profiles in SSP, SHP, CIS, and UNIDATA platforms • Develop and execute functions, stored procedures, and console applications • Test API integrations with government databases to ensure accurate data flow • Generate reports from SSP and SHP using MS SQL • Communicate fluently in Kannada and English, both verbally and in writing to effectively communicate with diverse stakeholders • Demonstrate strong analytical thinking, problem-solving, and project coordination skills
11	Helpdesk Executive	• Address walk-in queries from students and parents regarding scholarship applications • Respond to emails from students, parents, and colleges on submission and payment issues • Identify and report common portal-related issues faced by users to Team Lead (Operations) • Communicate fluently in Kannada and English, both verbally and in writing to effectively communicate with diverse stakeholders • Possess strong analytical, problem-solving, and coordination skills
